

Backpack Buddies

Backpack Buddies is an outreach ministry of Calvary Chapel. **Each week during the school year, we send home backpacks of food with students identified by the guidance counselor as homeless or needy.** These students are on the free and reduced lunch program, so each school day they are provided a meal by the school, however, on the weekends, they are often on their own. So our backpacks are sent home Friday afternoons. Only certain foods can be sent home, so make sure you check out the list on the back of this page! We also include invites to our church services and events such as Hallelujah Fest, VBA, Christmas Eve and Easter services. ***Thank you so much for being a part of this outreach to families in our community!***
